2016 Vintage: 89 Points Wine Enthusiast - *The producer, although based in Sancerre, has vines across the Loire in Pouilly. This wine, which is young and still developing, is in the ripe fat style typical of the appellation. It has concentrated apple and green-plum flavors, shot through with acidity. Drink from 2018.*

Claude Fournier is the 9th generation of his family to make wine. His wife, Eliane, is the 13th. After many years of hard work Domaine Fournier is now one of the most important estates in Sancerre.

The family has worked tirelessly to produce top quality wines; combining family winemaking traditions with advanced facilities including custom made tanks and a modern winery design that incorporates hand sorting of the grapes and the use of gravity to ensure delicate treatment of the must (juice). Over the last 50 years they have grown the Fournier Estate from their father's 13 acres to 222 acres in Sancerre, Pouilly Fume and Menetou Salon.
