Domaine Houchart is located at the foot of Mount St Victoire near Aix en Provence. This region is part of the new, higher level, appellation "Cotes de Provence, St Victoire". Domaine Houchart is today owned by Geneviève, the wife of Jérôme Quiot, having been originally acquired by her great-grandfather. During the period of the 1850's, Aurelien Houchart was an energetic proprietor and negotiant in wine, and created one of the largest domains in Provence. Amongst the friends of Aurelien Houchart was the famous painter Cezanne, who frequently came to visit. The 200 acre estate is planted with 10 traditional grape varieties on soils of red clay, sandstone, gravel and chalk and produces 55% Rose, 40 % Red and 5% White wines
