Domaine Fournier Pinot Noir

For years, Domaine Fournier has grown Pinot Noir on the slopes of Sancerre. With the addition of these vines in Touraine, they continue to hone their skills growing this delicate grape.

While it exhibits the earthiness you would expect, this bottling is surprisingly full of fruit.

The vines are 15 years old, planted in clay soils. Macerated for 3 days before 12 days of fermentation.

The wine is elegant and round with notes of black currant, raspberry and spice. It is bright and juicy.

A perfect pairing with grilled steak or pork

Claude Fournier is the 9th generation of his family to make wine. His wife, Eliane, is the 13th. After many years of hard work Domaine Fournier is now one of the most important estates in Sancerre.

The family has worked tirelessly to produce top quality wines; combining family winemaking traditions with advanced facilities including custom made tanks and a modern winery design that incorporates hand sorting of the grapes and the use of gravity to ensure delicate treatment of the must (juice). Over the last 50 years they have grown the Fournier Estate from their father's 13 acres to 222 acres in Sancerre, Pouilly Fume and Menetou Salon.
